The Ohio Valley Trail Partners present the 2<sup>nd</sup> annual bicycle tour of the Wheeling Heritage Trail. The date is set for **Sunday, May 25, 2008, at Heritage Port in Wheeling. Registration will begin at 9am. The tour will start at 10 am.** This is a non-race event for cyclists and trail enthusiasts.

Casual bike riders and walkers can participate in a history tour lead by Friends of Wheeling. There will be two short routes—one north and one south of Heritage Port. The tour will include stops at historic sites where narrators will talk about Wheeling's history--the historic Suspension Bridge, the Stifel Calico Works, Warwick China, Mail Pouch Tobacco, and others that lined the river during Wheeling's industrial heyday.

**Pre-registration by May 23rd is \$20 per person.** Registration the day of the tour is \$25. The family fee is \$10 for each additional family member to a maximum of \$50. Children under 12 are free but must be accompanied by a registered adult. **Helmets are required for cyclists.** Registration covers a pre-tour bicycle safety check, snacks and water at rest stops, lunch, t-shirts to the first 200 pre-registered, and ride assistance. The tour will take place rain or shine!

Cyclists will choose one of three rides. Cyclists riding 10 and 25 miles will remain on the trail. The 100km ride will leave the trail near Brooke County and loop through Bethany and West Liberty with a stop at Bethany College. Participants will return to Heritage Port for lunch. Please join us in our second year of celebrating the Wheeling Heritage Trail!
